THIS AGREEMENT BETWEEN _____ (Dog(s) owner) and **Guy Stewart and Sarah Ann Edwards of Quinces Cottage, Church Road, Wormingford, Colchester, CO6 3AZ**, operating under the name of "Poppy's House" (hereinafter referred to collectively as "Poppy's House"), with the express purpose of providing a service of dog day care and home boarding & agreed upon services stipulated below in consideration for payment. This agreement applies to all dogs (present and future) and all visits.

POPPY'S HOUSE WILL, ON EACH OCCASION THAT IT CARES FOR A DOG:

1. Make safety and well-being of the dog paramount, and shall do all that is reasonably necessary to keep the Dog(s) in good health and condition

7. Ensure that any garden at the premises is safe and secure for use by the Dog.
8. Provide daily exercise, taking into account the health and condition of the Dog as set out in the Dog's Enrollment Form. Daily exercise will include at least two walks (duration

dependent on Dog on individual needs and energy levels), and also periods of energetic play throughout the day at Poppy's House premises.

THE OWNER AGREES:

2. Proof of neutering (males only)
3. Identification collar / harness and leash.

7. That they are happy for their dog to be boarded with dogs from different households, which may involve them using the same space / room or outdoor area at the same time.
8. As a condition for using Poppy's House services for your Dog, the following Agreement of Service, Risks and Liability

By choosing to utilise the dog care services at Poppy's House, I agree to the following:

I understand that this is a cage-free facility and if my dog participates in interactive (i.e. not caged) day care and/or overnight boarding and/or activities there is some risk of injury and illness. Despite all dogs being screened for temperament and health, dogs are not always predictable and the unexpected may occur. I recognise that the benefits of an interactive playgroup are valuable to my dog, and I accept the potential risks. I further agree to pay veterinary and medical expenses incurred as a result of injury or illness caused by my dog, or incurred by my dog.

I understand and consent that my Dog(s) may be boarded with dogs from another household, including within the house and outdoor environment / garden. I understand and consent that my dog(s) can be kept together in the same room with dogs from another household.

I understand and consent to my Dog(s) being walked at the same time with other dogs in their care, and furthermore consent to my Dog being allowed off-lead in public areas when deemed reasonably safe and appropriate to do so.

I understand and consent that my dog may feed in the same room / space as other dogs, and that they will be supervised during this process to ensure that they are allowed to finish eating without interruption from other dogs.

I understand and consent that if I have more than one dog that they can be kept together in the same room.

I understand that my Dog's behaviour and permitted attendance is an ongoing continual assessment, and that Poppy's House may exclude my Dog at any time without notice if their behaviour is deemed incompatible or disruptive to the other Dogs.

I understand that in the unlikely event that Poppy's House becomes uninhabitable (e.g. fire, essential heating failure), that either I or a nominated Emergency Contact will be required to collect my Dog within 12-24 hours and provide alternative care arrangements.

Fees

I agree to pay the rates that are in effect at the time my dog is at Poppy's House. I am aware that extra charges may be incurred for such things as grooming, vet treatment, transportation, etc, and I agree to pay them at the time of collection.

I understand that upon entering Poppy's House, my dog will be examined for fleas. If fleas are found, a treatment will be given at my expense.

Illness of the Dog

If my dog appears to be ill or injured, I authorise Poppy's House to engage the services of a veterinarian at my expense, to give other requisite attention, and to make whatever decisions are required for my pet's veterinary treatment, including, but not limited to, vet fees and extra visits. I understand that Poppy's House will try to use my Dogs nominated / registered Vet to administer treatment, but appreciate that this may not always be feasible or practical in certain circumstances. I will not hold Poppy's House liable for failure to seek veterinary attention or for decisions made under this contract.

EXCLUSION OF LIABILITY

I understand and agree that neither the individuals offering this service, Guy Stewart and Sarah Ann Edwards, nor the premises through which this service is located, "Quinces Cottage, Church Road, Wormingford, Essex CO6 3AZ", nor any of their respective employees, officers, agents or assigns (hereinafter referred to as the "Released Parties) accept any responsibility for any death, injury or other loss suffered or caused by my dog(s) or resulting from my dog(s) own conduct or any matter or condition outside their control that amounts to my dogs own behaviour, including that which may result from the action of any dog including my own, and I expressly

assume the risk of such damage or injury while my dog participates in or attends any function of Poppy's House, while on the grounds or in surrounding areas, or during the transportation of my Dog by Poppy's House.

I understand that Poppy's House will exercise due diligence and care in the guardianship of my dog(s). In the absence of any negligence or other breach of duty by the respective individuals conducting this service, Guy Stewart & Sarah Ann Edwards, the premises through which this service is offered, and all released entities and released parties as defined above, my participation in this dog care service is entirely at my own risk.

On behalf of myself and all other owners of this dog(s), I acknowledge receipt of this Statement and have read all of the terms before signing this Statement and agree to the terms of this contract. I warrant that I have the authority to represent any and all other owners of this dog(s) in signing this contract.

This is a permanent agreement that applies to all pets (present and future) and all stays at Poppy's House.
